

Official Name Change

October 21st, 2022

To whom it may concern,

This letter is to inform you that "Sign & Awning Services, Inc." has legally changed its name to the dba we have been using for over 13 years and has officially become **"Architectural Fabrication, Inc."**.

We will have the same tax identification number, the same ownership. This name more reflects our core purpose of "End to end architectural metal solutions" and has become a brand over the last 12 years, out of the company's 27 year history.

We are excited for the future and are continuing to expand our team, our facilities, and our capabilities to continue being a solutions provider for the specialty construction industry.

If you have questions or need help processing this please reach out to our contract administrator Ginger Whitehead at ginger.whitehead@arch-fab.com, or our accounting manager Adella Yadav at adella.yadav@arch-fab.com.

Kindest Regards,

A handwritten signature in blue ink, appearing to read "Jeff", with a stylized flourish at the end.
